Co-laboring in the Lord's Ministry...Luke 5:18-20

Greetings from the Laceys!

We hope this letter finds you well as we pray for you and ourselves, "... that our God may make you worthy of his calling and may fulfill every resolve for good and every work of faith by His power, so that the name of our Lord Jesus may be glorified in you, and you in Him, according to the grace of our God and Lord Jesus Christ."
2 Thessalonians 1:11-12.

Family Update

We thank the Lord for your prayers, love, and encouragement since losing our foster daughter. The Lord uses each of you to bless us and help in the healing process. Although it is still difficult, the Lord daily gives us grace to move ahead. We trust that He is working out this situation for His glory and our/her good.

We continue to desire to have more children and are in the process of looking into adoption. Would you join us in praying for the Lord's direction and provision as we pursue adoption?

Ravalli Bible Fellowship

It's been encouraging to have increased participation of the church in the Sunday Service as well as in other aspects of ministry throughout the week. One of the men approached Luke about starting a men's group. The group started and has now been meeting weekly for a couple of months. Another

...special care...

We so appreciate your love and special care in handling this information for the sake of your prayers. We are stretched everyday with challenges that are unforeseen and very personal to us and the lives we love here. Many things we can't publish or share in greater detail in newsletter form for the sake of confidentiality but the Lord knows and sees.

We pray that that He meets your needs as you look also to meet the needs of those around you. He is able!

couple has indicated that they are willing to start two different small groups in the Fall time. Recently, 2 couples along with ourselves, attended a Biblical Counseling Conference. The training received was a blessing to each of us. We trust that the tools received will go beyond ourselves to the others for the work of the ministry.

Hope Christian School

In the last newsletter we communicated that we were not sure what the next steps for the School would be. The Lord has answered prayer and has given direction. Right now, there are around 20 students who are confirmed for the 2023/24 school year with the potential of more!

finishing up 2022 23 school year

We plan on a Preschool class to be led by a lady in our church, Erin to teach the K-2nd graders, and Luke to teach 3rd-8th along with volunteers to help here and there. We would love it if the Lord would raise up a different teacher for the 3rd-8th graders so Luke could focus more on his pastoral duties and the administration of the School.

Would you join us in praying for the Lord to provide another teacher and bring together all the details for the School? If you, or anyone you know, would be interested in partnering with us for the School through consistent prayer support, financial giving, or helping with the School, don't hesitate to contact us.

Thank you for taking the time to read and pray about these things. We hope you a blessed rest of your summer!
