TRUTH REVEALED THROUGH ULTRASOUND!

“Noelle” recently contacted Woman’s Choice seeking an abortion. We explained the importance of having an ultrasound in order to get a clear picture of how her pregnancy was progressing. She agreed to come in that very day. Upon seeing ten tiny fingers and toes, the true picture of an active baby completely changed her mind about her decision. Although her circumstances are difficult, **SHE IS CHOOSING LIFE!**

A WELCOMING SIGHT

After 10 years in ministry, the faded front of our building desperately needed a facelift. Thankfully, for a very reasonable price, a Christian painter was able to restore it’s original welcoming brightness! We appreciate our supporters’ donations which enable us to not only “keep the lights on,” but also maintain this beautiful facility the Lord has provided. If possible, drive by and take a look and while you are in the neighborhood, stop in and say, “Hello!” We’d love to see you!

THANK YOU FOR GIVING

God is faithful to direct us as we prayerfully endeavor to use every dollar given in the way that will best impact families and save babies lives!

MEET OUR RECEPTIONIST

If you’ve called or visited our center, you’ve likely been greeted by our sweet receptionist Cindy Fleck. As a registered nurse, Cindy worked for 25 years helping to save premature babies in the NICU before coming to Woman’s Choice six years ago to help save babies from abortion. She played an instrumental role in our conversion to a medical facility. Cindy is anxiously anticipating her new role as “Grandma” in April of 2024!

At Woman’s Choice it has always been a priority to not only encourage our clients to value the life of their unborn child, but to also share the Gospel of Jesus and help them each see the value of their own eternal souls.

Thus, this newest prolife movie from Living Waters Ministries resonates with us. In Ray Comfort’s traditional “man on the street” interview style, thought provoking questions open eyes to the truth of abortion and hard hearts are not only softened toward the unborn, but also toward Jesus and the importance of knowing Him as one’s Lord and Saviour. We want to encourage all our supporters to check it out. We believe it will be well worth your time to watch.
