Dear Friends,

Thank you for your encouraging gift. We are blessed to serve with you as we equip servants to share the gospel and strengthen the Church.

Our school year has begun with wonderful testimonies and opportunities. Praise the Lord for a great group of students who have demonstrated eager hearts to serve the Lord. In addition, we have been privileged to host many guests through our fall Extension Ministries events. Keep praying for safety and spiritual fruit with each of these occasions.

A particular focus on our campus during this time is our annual Missions Conference. Every year we look forward to the impact this will have on our students as we cancel classes and give undivided attention to carrying out our mandate to go into all the world. Pray for decisions being made by students which will truly affect souls for eternity. Our world needs Jesus!

Again thanks for your partnership. Keep praying the Lord of Harvest to send forth servants . . . *because Life is for Service.*

Dr. Anderson is away, so I am signing letters in his behalf. Thank you so much for your support!! Blessings!
