

OCTOBER 2023 MINISTRY UPDATE

Greetings Friends & Ministry Partners!

We wanted to share some exciting updates from Shaun's recent journey into the heart of Sierra Leone. He was invited to visit several remote villages where dedicated Sierra Leonian pastors and church planters are working to share Jesus Christ with unreached people groups. It was incredible to witness their unwavering commitment and dedication to spreading the message of Hope in difficult and dark places to reach in the face of persecution! In one of these villages, Shaun shared in a truly special moment when more than 350 people gathered to watch the Jesus Film, and the response was overwhelmingly positive. Several people indicated professions of faith in Christ providing follow up opportunities for the local pastors.

On another front, our search for the right piece of property for our ministry continues. It is quite the process, but we trust God already has the perfect place designated for us and are determined to find it. Shaun also has ongoing opportunities to speak, equip, train, encourage, and engage with local pastors and church planters. It's amazing to share knowledge and experiences with these dedicated men in reaching Sierra Leone for Christ.

As we look ahead, we ask for your prayers as God continues to open doors for us to work with national pastors and church planters as well as evangelistic opportunities in reaching the unreached. Thank you for being a part of this journey with us. Your faithful partnership is making a difference in the lives of people here in Sierra Leone.

Thank you for your faithfulness in prayer & financial support!
