Brian and Umico Doriot - Bible translation in Indonesia

Spring Update

Lots has been going on! Read about our trip to Singapore, the Nalca OT translation work, Umico's continued translation work, and the OneStory workshop coming up soon!

Singapore Ministry and Vacation Trip

On March 16 we flew to Singapore to share our ministry, visit friends, and have some vacation time too. We were expecting my parents to go also, but they had a medical emergency and couldn't make it. Above we are sharing with Sunday School children at Bukit Batok Presbyterian Church. We had a booth at 2 different Indonesian churches, where we displayed pictures and talked with people

about our ministry. One Sunday we shared 10 minutes about our ministry at Gospel Baptist Church. There was a lot of interest each place, and we received a few good donations. We also had many sign up to receive our ministry updates. For recreation, we visited the great aquarium, as well as the amazing indoor waterfall and garden called Jewel, among other things. It was a good trip!

you, for my power is made
perfect in weakness.

OneStory Workshop

At this time there is a Bible translation seminar going on for many of the attendees of our OneStory project. Then, beginning Monday the 15th, the next DeSuTu (our project name, short for "hear God's voice") workshop will begin! Umico and I will be flying to Papua in less than a week for that! We are scheduled to begin 2 new Bible stories and continue editing the others that have been started. We appreciate your prayers that good progress can be made with God's hand of blessing.

Nalca Old Testament translation

The translators, Jeremy and Benoni, have been busy checking chapters in preparation for checking with a consultant. The treasurer of the committee to finish the Nalca Old Testament, Menius, has been faithful to manage funds, and give them their wages in a timely manner. I may stay an extra week in Papua, after the OneStory workshop, to help with the project however I can. The

project is in need of funding, especially because a significant government pledge didn't work out. Thank you for your prayers and support! If you feel led to give toward this project, please designate "Nalca OT" when you send a gift in with the donor form below.

Umico's project

The Bible translation into a major language in her hometown continues. Umico is working regularly on that, when she isn't traveling with Brian. But she continues remotely as able when we are in Papua. We are grateful for her managers' willingness to let her join Brian (it seems so often lately) so we can be together. We want to help them as much as we can too, so it's not too hard on them. Thanks for your prayers for this ministry, that it will be effective in reaching many with God's word!

How to support us financially

You can give to our ministry by filling out and sending in the form below, with your check, to Central Missionary Clearinghouse. We are in need of more monthly supporters. Thank you for giving as God leads!
