## FEB./MAR. 2024 MINISTRY UPDATE

---

Dear Friends and Ministry Partners,

We are grateful that our family had the opportunity to serve on another evangelistic outreach to the upline/unreached areas of Sierra Leone in mid-February. This medical outreach provided physical aid to over 1600 people in a joint effort of international and local volunteers. While extending medical care to the village and surrounding communities, Biblical truths were taught and the Gospel was shared with those waiting for the doctor's assistance. Shaun also preached at the village's relatively new, local church plant on Sunday morning before the day's medical clinic began. Please keep this local church and its pastor in your prayers, as they have a growing influence in a complex and underserved area, leading more people to Jesus and the life change He alone brings.

At the beginning of March, we traveled to a different region of the country, where Christin spoke at a women's conference. She taught two sessions to equip, empower, and encourage around 300 women to walk more closely with Jesus, urging them to use their Godly testimonies as a source of influence within their families and communities.

We are passionate about helping local pastors, church planters, churches, and fellow believers grow in Christ, equipping them with the tools and resources they need to fulfill the Great Commission. God continues to give us opportunities to reach people who haven't heard the Gospel or have minimal access to God's Word. We seriously couldn't do it without your support—your prayers and financial help mean the world to us. We are so grateful for your faithfulness!

Please keep the following upcoming events in your prayers:

- Shaun teaching at an upcoming men's group meeting, while Christin also teaches a ladies' group within a local church.
- Shaun traveling to an underserved area to scout potential ministry opportunities and conduct teaching sessions with the local village pastors.
- We will be participating in an upcoming conference for pastors, ministry workers, and church planters where Shaun will also be teaching.
- Kaitlyn, Kameron, and Wes working to finish strong as the as the end of another school year approaches

In Christ's Love,  
The Evans Family

**Thank you for your faithfulness in prayer & financial support!**
