APRIL 2024

The Lord is moving in our meetings! I cannot express enough how important you are to this ministry. The first sentence of I Corinthians 3:9 says it well— “For we are laborers together with God.” You, Tim Lee Ministries and God—That’s the team! Thank you for being on the team.

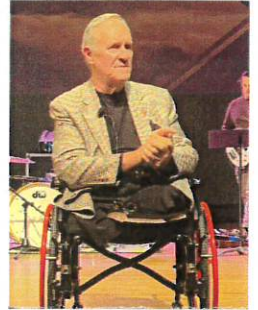

Recently, a Vietnam Veteran came to the crusade. He had not been to church in years. He didn’t want anything to do with church. His son asked him to go with him and he finally agreed to go hear what the Marine Vietnam Veteran would say. The Holy Spirit was working and he came back the next evening and received Jesus as his personal Savior! If you pray and or give to TLM you had a part in him coming to Christ!

We were in Chickasha, Oklahoma for a revival crusade March 3rd through the 5th. Steve Volante is the pastor of Bible Baptist Church. The people prayed and prepared and God gave His blessings! **There were nineteen who came for salvation** and there were many others that came to make various other decisions for Christ. We had a touch of revival fire!

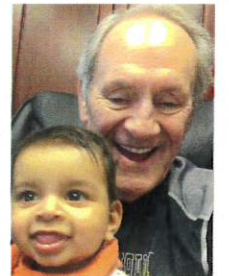

The very next week we were in Emporia, Virginia for an area wide crusade. Pastor Rick Ragan was the one who contacted me about coming. There were fourteen churches involved in this event. None of them were large churches, averaging less than 100 in attendance on Sunday morning. They prayed, planned and prepared. Marc Ivey came from Jacksonville, Florida to lead the worship. There were four students (including our granddaughter, Sara) from Liberty University that came during their spring break to help in the crusade! **Ninety-nine people came for salvation!!** Again, you had a part in that. Pastor Rick Ragan told of many miracles of salvation! God did it and He can do it again and again!

Saturday, March 23rd, I drove across town to The Church at Azle in Azle, Texas. My long time best friend and my families pastor for over three decades, Dr. Gary Coleman went with me. He’s my prayer warrior. **Nine men came for salvation and eight came to surrender to preach the Gospel!** Thank you for praying and giving!

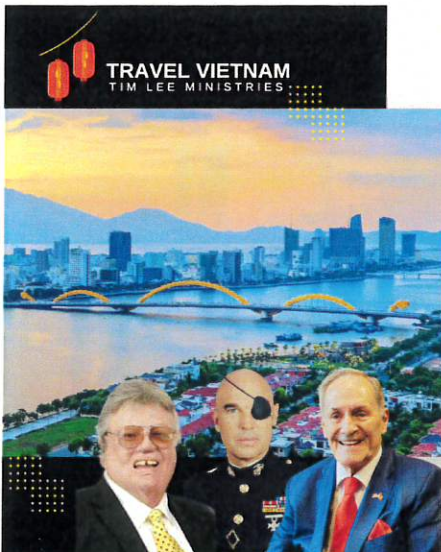

The next day, March 24th Connie and I drove to Aurora, TX to be with Pastor Jimmy Withers and the folks of Aurora Baptist Church. We love this great church. It was an awesome day with eight coming for salvation! PRAISE THE LORD!

With some off our awesome team in Virginia!

Papaw and Jack!
