

SEPT./OCT. 2025 MINISTRY UPDATE

Dear Friends and Ministry Partners,

After several months in the U.S., our family has returned to Sierra Leone and hit the ground running! We're grateful to be back home, continuing the work God has called us to—reaching the lost, discipling believers, and equipping leaders to plant healthy local churches across this nation.

Global Life University Growth

Exciting progress is happening at Global Life University-Sierra Leone! Enrollment has almost doubled, with nearly 50 students now studying to become biblically sound pastors, leaders, and ministry workers. These students represent the future of Gospel-centered leadership in Sierra Leone, and we are thrilled to see such hunger for God's Word and sound doctrine.

Hosting the Macales

We recently hosted Rodelle and Grace Macale, a missionary couple from the Philippines, for a 10-day vision and survey trip. They are prayerfully preparing to join our West African Global Surge team here in Sierra Leone. During their visit, we partnered together in several ministry opportunities, sharing the Gospel and strengthening local believers..

Please pray for Rodelle and Grace as they begin raising support and transition from Global Surge teammates in the Philippines to missionaries in Sierra Leone. Ask the Lord to provide faithful partners who will stand with them in prayer and giving so they can reach the field soon.

- If you are interested in partnering with them through Global Missionary Clearinghouse (gmcmissions.org), you can do so by visiting <https://give.globalsurge.org/campaign/714686/donate>.
- If you would like to speak with them directly and find out more information about their testimony, ministry, and calling, you can do so via WhatsApp at +63 917 155 1241 or email at rodelle@gmcmissions.org

Evangelistic Outreaches

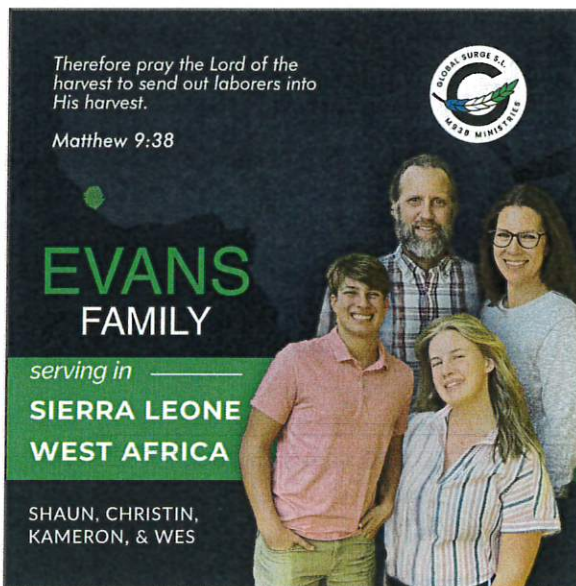

Together with the Macales and our local pastors, our team conducted evangelistic outreaches in 3 communities: 2 heavily Muslim villages and another community where a small church plant and local pastor are faithfully serving. Through our efforts, 202 people heard the Gospel clearly, with four individuals professing faith in Christ and now preparing to begin discipleship for new believers. Many others responded positively, opening the door to continued conversations and future ministry efforts. We were also able to provide Bibles and solar-powered audio Bibles in these communities.

Please Pray With Us For:

- Evangelism & Discipleship: Pray for continued open doors for sharing the Gospel and for the spiritual growth of new believers.
- Team Development: Pray for wisdom as we continue building our Global Surge team here in Sierra Leone.
- The Macale Family: God's provision as they raise support to join us in Sierra Leone
- Leadership Training: Pray for our GLU students and pastors as we train and develop biblically sound leaders and ministry workers.
- Future Church Plants: Pray for guidance in identifying new areas for potential church planting opportunities.

Thank you for standing with us. Every life touched, every church planted, every soul saved—it's all because the Gospel is going forward, and you're part of it. We are grateful for your investment in the Great Commission.
