MISSIONARIES TO KENYA

December 2025

Krismasi Njema! ~ Merry Christmas!

We are thankful for the opportunities we have had to teach the true reason for the season through Sunday School and Jr. Church these past few weeks as we continue to serve and train others in the children's ministry at Bible Baptist Church in Thika. Jesus truly is the best reason to celebrate. From our family to yours, we hope you have a very Merry Christmas and a Happy New Year!

Salvation Conversations

At the beginning of this month, Nolan was invited to speak at a youth camp in the town in which we live. After speaking and giving an invitation to those who would like to get saved, several wanted to talk more about salvation. Many of the salvation conversations that day were simply another opportunity to water the Gospel seed that had been planted. For example, one young teen named Jeffery wanted to talk to Nolan during the invitation time. Jeffery explained that his grandma is deep in witchcraft. He told Nolan that he understood that witchcraft was wrong and therefore decided to attend a Baptist Church. When Nolan shared the Gospel with him once again, Jeffery explained that he believed since he was not choosing witchcraft, he would go to Heaven based on his good works. After all, he saw himself in a much better position than those in his family. Jeffery was very adamant about his position and did not want to hear anymore. Sadly, he did not make the decision to get saved that day. Please be praying for this teen and many others. Please pray for God to continue to work on their hearts about the truth of the Gospel.

Another teen who talked to Nolan, was a boy named Kennedy. During the invitation, Kennedy wasted no time at all. Before Nolan could say a word, Kennedy introduced himself as a sinner who needed Jesus. We are so excited to share with you that **Kennedy got saved!!!** Celebrate with us as we praise the Lord for Kennedy's decision!

Graduation Time

November and December are full of graduation ceremonies here in Kenya. This month was the graduation ceremony at Nairobi Baptist Bible College (NBBC). It was wonderful to celebrate the 12 students who worked so hard to earn their respective degrees in Pastoral or Missions Ministries. Weeks before the ceremony, Nolan had the opportunity to establish and work with a choir at NBBC. The choir sang together for the first time at the graduation ceremony. Even through technical difficulties (which can happen quite a lot in Africa), the choir did a beautiful job for their first time. We are excited to see the choir continue on as a regular part of the college.

Please keep these new graduates in your prayers as they move on to the ministries to which God is leading them. Please also pray for the new and continuing students of NBBC as the new school year begins in January. To God be all the glory!
