

2025 Was an Ebenezer Year!

Ebenezer - Hebrew - stone of help.

1. a commemoration of divine assistance
here I raise mine Ebenezer; hither by Thy help I'm come

While reading: "By Life or by Death, the life and legacy of John and Betty Stam" I found interesting that Peter Stam, John's father, had a family motto. Ebenezer - "Hitherto hath the Lord helped us". He created a stained-glass window with the phrase which was placed in the Stam house as a reminder for his family to be faithful with all that God has given.

In 2025 we have been reminded of God's divine assistance through His people. Vision Appalachia has been able to accomplish much this year only by the generosity of our friends and family. Some give financially, many give of their time and talents, some pray, volunteer, organize and there are those who use their gift of shopping for the needs of others. (shopping is a gift). We are so thankful and humbled by the many who have answered God's call to serve.
