Brian and Umico Doriot - Bible translation in Indonesia

Short book of the Nalca Old Testament being published!

Above: Checking translation with a consultant from the Indonesian Bible Society.

Short update and summary

Umico and I had a good visit in Papua and were able to help with the Nalca Old Testament project. Brian's visa was also renewed with no issues. Now we have made it back to Umico's home town.

The Nalca Old Testament translation team decided on 9 books to include in the publication of the "short Old Testament," and the Indonesian Bible Society agreed to print it in time for the Nalca Jubilee celebration in May!

Funds are urgently needed!!

The short book of the Nalca Old Testament will be available for purchase by the Jubilee celebration in Nalca at the end of May. Funds received from sales will go toward printing the whole Nalca Old Testament when it is completed. Here are the details of this current publication:

- 9 books including Genesis, Deuteronomy, Psalms, Proverbs, and a couple of the minor prophets
- Total cost is about \$20,000 of which \$10,000 is already committed
- \$10,000 still needs to be raised
- The first payment (of 2/3 of the total) is due today (10 February). But we have a few days of grace.

We need more funds ASAP!! Please consider prayerfully how you can help!

If you or your church would like to give toward printing this first official publication of the Nalca Old Testament, please use the CMC Donor Form available below to send in your donation, and write "Nalca short Old Testament" in the special instructions. Thank you and God bless you!!
