

Holding the Ropes

Co-laboring in the Lord's Ministry Luke 5:18-20

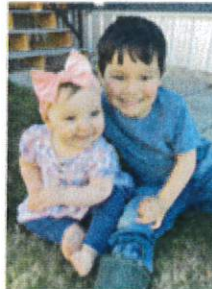

Happy Spring from Montana!

As we have just finished celebrating Resurrection Sunday, we thank our Risen Savior for the work that He has done and is doing in our midst. We are so thankful to Him for your partnership with us in the work He is doing here on the Reservation. We thank the Lord that Azariah and Eliana are

both growing and learning more each day. Eliana is now 10 months old and is crawling around everywhere. Azariah is 4 yrs old and we continue to be amazed at the work that the Lord is doing in his young life. We continue to pray that they will both grow in wisdom, stature, and in favor with God and man.

BUILD Class

Mar. 23-26th we continued the BUILD Program with a Church History class. From Apr. 13-16th we hosted a class on Hebrews and Lord willing there will be a class on the Psalms from May 18-21. We thank the Lord for the Center for Indian Ministries out of Bemidji, MN who have committed to making these classes a reality. The format for each class includes dinner and three hours of teaching each evening from Monday to Thursday. Would you join us in praying that the Lord will use these classes to equip the people in our congregation and in this area for the work of the ministry through the teaching offered?

here. We thank the Lord for great spiritual growth evident in the lives of the various members of the congregation leading them to step up and serve in many different ways. A recent highlight for the congregation was the Resurrection Sunday celebration. A number of visitors attended and were able to hear personal testimonies of the Lord's saving work in lives and the gospel being preached. Would you join us in praying that the Lord will cause the seeds that were sown to take root and grow, and that the unbelievers who attended the Resurrection Day service will be born again?

Hope Christian School

We thank the Lord for His faithfulness in the life of the school. The kids continue to be disciplined on a daily basis from their teachers, and there are signs of growth in each of their lives. Would you join us in praying that the Lord will use His Word that is being sown in their lives to grow and produce? Specifically, would you join us in praying that each one of the 9 students will be born again and grow to know our Lord in a deep way? Also, will you join us in praying for the Lord's clear leading and direction for what He wants for Hope Christian School next school year? At this point we are not sure where more teachers will come from and what the Lord has in store. We are trusting the Lord for His clear leading, guidance, and provision. We are 100% convinced that if He is doing it, He will do it!

Thank you for taking the time to read and pray about these things. We trust you've had a blessed Celebration of our Resurrected Lord Jesus!
