

THE LeTourneaus

MISSIONARIES TO KENYA

May 2026

The Next Generation & the Growth of the Church

asked God to save me today!" This is the first thing a sweet little boy ran and told Janay after Jr. Church one Sunday in May. He was so excited to tell her that he knew for sure that he would go to Heaven because Jesus forgave him of his sins. After the lesson came and a clear Gospel explanation, many children raised their hand during the invitation indicating that they knew they were not saved. Both of us were able to talk to different children who had many questions about Salvation. Praise the Lord for David and Joshua who got saved that day! These precious souls are rewards in your crown as well. We could not do what God has called us to do without your faithfulness to pray and support. We can be in Kenya because God is faithfully using you where HE has You. We are thankful for you! Please join us in praying for the many other children who continue to have good questions and continue to come back every single week.

We praise the Lord for how he is working in the children's ministry of Baptist Bible Church in Makongeni-Thika. Since Children's Sunday last month, the church has seen several different visitors come. A mother who visited for the first time with her children, told Nolan afterwards that it was the first time in a long time that she had been in a church where her children could tell her what they learned about. What a wonderful testimony for this church to have! It is truly a blessing to have been asked by this Pastor to help with training in different areas in this church. To see the pastor, deacons, leaders, and church members get excited about reaching the next generation for God's glory brings so much joy!

Little is Much When God is In It

We are so thankful for the ministry opportunities God has brought our way. We truly believe God brought us to Kenya for a specific purpose. Despite our own flawed selves, we know God is at work!

At the start of the 2nd term at Nairobi Baptist Bible College has gone well. It has been encouraging to get to know the students better and invest in deeper relationships with the students. We know God is doing a work in each of their lives as they prepare for the ministry to which He is leading them. Please continue to pray for Nolan as he teaches through the book of Hebrews and leads the NBBC Choir.

It has also been encouraging to see all that has been happening at the church in Makongeni-Thika. Nolan recently had a meeting with the pastor and deacons. It is wonderful encouragement to see these faithful leaders excited and motivated to do the work of the ministry. They have many ideas for future growth both for the physical building as well as the spiritual health of the people. Coming up in a few weeks is a ministry leaders lunch and interest meeting. Please pray for this meeting and time of fellowship to go well. God is truly at work within this sweet church family!

Janay singing in Swahili with the ladies' choir at Bible Baptist Church on Mother's Day

Nolan teaching through the Book of Hebrews this term at NBBC, guiding students toward a deeper foundation for their future ministry.

God is growing the children's classroom at Bible Baptist — we've grown so much we had to move classrooms! Praise the Lord!

Nolan spending time with some of the boys from the kids' class, including one who recently came to Christ.

Praises

Praise the Lord for David and Joshua's salvation.

Praise God for a strong and encouraging start to the new term at NBBC.

Praise the Lord for continued growth and faithfulness at BBC Thika.

Prayer Requests

For the many who heard the gospel this month to be saved

For upcoming ministry events and the missions teams arriving this summer

For the students of NBBC as they continue their time of education and equipping for ministry
