

The GRINSTEAD Family

Missionaries in
the country of
ARGENTINA

June 2026

Dear Prayer Partners,

The last couple of months have been a blur. Caleb finished his first year at Crown Bible College and was able to take a couple of weeks and fly back to Argentina to visit us. It was great having the whole family back together for a little while. We put him right to work in all his old places of service while here. Caleb and Joel both have taken the opportunity to preach in our church and to share in the youth activities. During the month of July, we plan to take the youth on a long trip to the city of San Rafael and participate in a four-night youth conference. Please pray for traveling safety and for God to work in many hearts in a mighty way.

We would like to request prayer for April's dad Mark Bohman, as he is fighting cancer. April felt the need to travel back to the States for a couple of weeks to visit her parents and help them during this time. We are thankful that we were able to get her a plane seat beside Caleb and they flew to Atlanta together. From there Caleb flew back to Virginia and April continued to her parents in Michigan. Caleb will stay with my parents this summer and work a summer internship for college credit.

As for the rest of us, the other three kids and I are working together to fill mom's shoes while she is gone. We will be very happy when she is back and will be much more thankful for all that she does in the family and more willing to help with things around the house. Valerie has really stepped up to help with cooking. Please pray for April's safety as she travels back to Argentina June the 23rd.

Please keep the new church plant in your prayers. We began the work by simply calling it a Bible study and have recently decided to give it the name Anchor Baptist Church. We decided on the name Anchor Baptist because at the other side of the city we have the Lighthouse Baptist Church under Pastor David Merlo. Both churches work closely together, and we wanted people to associate them together. Also, the city of Bahia Blanca is a port city, and the name means White Bay.
