Dear Supporter,

A phrase from Zechariah 4:10 says, ***"For who hath despised the day of small things? ..."*** The words were meant to encourage Zerubbabel who led exiles from Babylon back to Jerusalem after the 70-year captivity. The rebuilt temple was nowhere near the glory of Solomon's, in size or splendor, yet it was commended by God.

Several matters recently have brought that verse back to my mind, and two of them are these:

- 1) Small 5-Day Clubs – we have not had the number of clubs nor the number of children this year that we have had in previous years, yet the gospel has been declared and God's Word has been faithfully proclaimed. We will trust the Lord to see what "great things He hath done" will come forth from this.
- 2) Small donations – We have been blessed from time to time with some significant large gifts that are always a welcome blessing. But I am reminded that it is the faithful, consistent, giving of smaller donations that keeps this ministry moving forward in our daily tasks. If you have given a large gift, we are truly thankful. But if you are one of those who cannot give a large amount, yet faithfully give as you are able, I want you to know how much of a blessing you are to us. We rejoice in you.

In Christ Jesus,
