

Holding the Ropes

Co-laboring in the Lord's Ministry. Luke 5:18-20

Summer Greetings from Montana!

We thank the Lord that Azariah and Eliana are continuing to grow up and be such a blessing to our family. We continue to pray that they will grow in wisdom, stature, and in favor with God and man. Additionally, we were amazed and so thankful to find out that Erin is pregnant again. Lord willing, the youngest Lacey baby is due February 4th. We are so amazed at the Lord's goodness and the miracle of this new baby's life. Would you please join us in praying for the health of both Erin and the baby during this pregnancy and for a safe delivery and healthy baby this upcoming February?

Ravalli Bible Fellowship

The Lord has been moving in our area with the result of different families joining the congregation. This has led us as a congregation to move from the old schoolhouse we had been meeting in to the multipurpose building that is being used for the school. As a church we have been going through the book of 1 Timothy in order to provide a good

understanding and set a good foundation for what the Lord calls the local church to be. One of the great prayers that we have in this regard is that Ravalli Bible Fellowship would be able to officially appoint men to the office of elders and deacons in order that the church would be able to honor the Lord in this way and continue on for many years into the future. Would you join us in praying that the Lord raises up the right men to fill these offices?

Hope Christian School

We thank the Lord that details are coming together for the school to happen again for the 2026/27 school year. Lord willing, there will be around 14 students in two different classes that are set to begin on September 1st. We would appreciate prayers for the Lord's grace, provision, and blessing as we set out on another year of school. If the Lord would lay it on any of your hearts, there are various needs that the school has and avenues in which you could partner with us in what the Lord is doing at the school. One particular way that we are praying and trusting the Lord to provide is for a salary for the teacher for the younger class. Would you join us in praying that the Lord will provide the necessary funds for her salary, and if the Lord laid it on your heart would you consider giving to meet this need?

We thank the Lord for you all and the incredible impact that your love, encouragement, prayers, and generosity have in the work here on the Reservation. May our Lord bless you richly

Thank you for taking the time to read and pray about these things!
