MISSIONARIES TO KENYA

August 2026

How Can I Be Born Again?

During Saturday evangelism in July when the mission teams were here, a man named Steve was given a copy of John and Romans and was invited to church. Steve came to church at Bible Baptist the next day, heard the Gospel, and later took the copy of John and Romans and read it ALL. He realized he needed to be born again. On the next Sunday, August 2nd, Steve went to the ACK church he would normally attend and asked the pastor how he could be born again. Sadly, the pastor's answer was to give more money. Praise the Lord for working on Steve's heart so that Steve knew this answer could not be right. Steve came back to Bible Baptist on August 9th. He sat through most of the sermon but got up to leave towards the end. He had later told us that he was too anxious to have his question about salvation answered to sit still any longer. This is where we can see God working in even the smallest of details. As Steve was stepping outside to leave church, Janay was walking in with a girl from the kid's class who needed to talk to her grandma. Despite Janay trying to encourage the girl to stay in class until the end, the girl was persistent. Looking back now, we can see that this was God at work by bringing Janay to the main building at the exact time Steve was leaving. Steve noticed Janay and decided to ask the question burning in his heart: "How can I be born again?" Nolan was able to open God's Word with Steve and help answer the important question. **Praise the Lord, Steve accepted Christ as his personal Savior!**

Praise God for how He is at work in every detail. He works in hearts. He directs man's steps, and orders timing perfectly. **THANK YOU for your continued prayers and support!**

August Activities

So much has taken place in the month of August, from Missionary Kid Camp and attending our first Kenyan wedding, to Teacher Trainings at church, continued discipleship meetings, and preparing for the next term at Nairobi Baptist Bible College. We are thankful for each opportunity and how God is at work.

Some of you may remember Maggie who recently got saved and started a discipleship course with Janay. In August, **Maggie officially completed the 7-week discipleship course and has asked for MORE.** Please pray for her and Janay as they continue to meet for Bible Study once a week.

Teacher Trainings at Bible Baptist Church are also going well! It has been wonderful to meet with each of our groups for an hour at a time to walk through the importance of teaching the Bible well and how to effectively teach the Bible to children, youth, and adults. **We praise God for these 10 adults and their willingness to not only teach others God's Word, but to train to teach others well. We are excited to see how God continues to grow and work within this sweet church family.**

Praise the Lord for Steve's Salvation!

Praise the Lord for Maggie completing her discipleship with Janay!
