SEPTEMBER 2026

On our way to Magnolia, TX

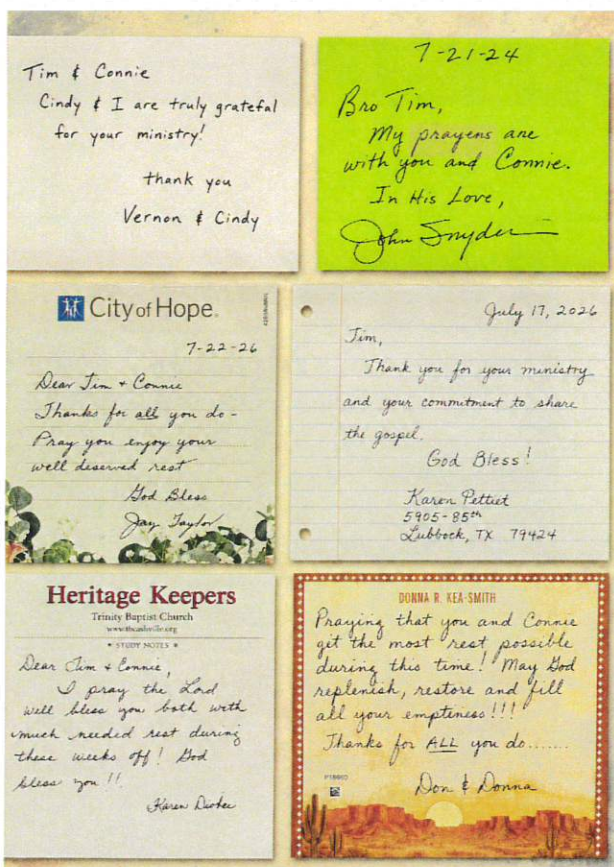

It's amazing how five weeks can go by so fast. Our self-imposed sabbatical just flew by. Just like that, it was over. We were able to rest some. I caught up on some of my reading and studying. We got some work done around the house. Like I said in last month's newsletter, getting outside and working is therapy for me. Now, when it reached over 100°, I had to pace myself. Connie and I also made a round trip to southern Illinois to visit her parents. We were there for eight days, and even those eight days went by so fast.

Right when I announced that we would be taking some time off, we knew we would need financial help to keep paying salaries and other expenses at Tim Lee Ministries. I received word from friends at Nutramax Laboratories in Lancaster, South Carolina, that they wanted to offer TLM a gift of \$50,000 if we could match it. This was both a miracle and a challenge. I didn't know how hard it would be to raise \$50,000. We made the announcement, then we prayed, and God worked, and people responded! You came through for us! We didn't just raise the goal amount; we went over it! PRAISE THE LORD!! Thank you for praying and for giving! We have so many wonderful friends. What a blessing!

Last Sunday, August 23rd, we were in Magnolia, Texas, at Magnolia Bible Church. When Pastor Steve Burrell and his family moved to Magnolia, Texas, nine years ago, the attendance was about 275. Now they average 1,300 in attendance! I spoke in three morning services. **At least sixty-one people came to be saved!** Several others came to be baptized and to join the church. Plus, scores of Christians came to get things right with God in their lives. There was a spirit of revival in the air. What a glorious day! It was a perfect way to end our five-week sabbatical. Talk about fired up for JESUS!

We have 10 straight weeks of meetings before us. We continue to need your prayers and support. We love and appreciate you more than words can say.

**We have received so many notes and letters of encouragement during our sabbatical. Thank you so much and thank you for your prayers for Connie and I. Here are just a few of the notes we've received. There are so many others.**
