CEF
CHILD EVANGELISM FELLOWSHIP®
Kanawha Chapter

October 1, 2026

Dear Supporter,

Training times have been set up to get potential staff prepared for a Good News Club launch yet this fall at Pratt Elementary as I reported in September. We continue to rejoice as we move forward with anticipation to what God is doing through burdened folks to reach children with the gospel.

But it's not just the potential of a new club starting. Our "veteran" clubs are resuming also. The first one was on Friday, 9/25, and 32 children attended with two counseled about receiving Jesus as their Savior! By the end of the second week of October, ten clubs will have resumed and the final one should start in the first week of November.

Here is a prayer request. Many of our volunteers are senior saints who have a deep love for the children. However, with age also comes additional health challenges. Would you pray for these dear folks? We need them and others like them to keep our clubs moving forward. Of course, we welcome any of you younger folks also. 😊

Finally, pray for our outreach to churches; many don't know about CEF and how we can help them with their outreach/missions ministry. To send me contact information about your church/pastor, email me at clydegwin@cefwv.org.

In Christ Jesus,

Clyde D. Gwin
