

NBBC Choir Outreach

The month of October was full of great meetings, wonderful Gospel conversations, and formally recognizing those who have finished their Teacher Training course. One of the highlights of the month was the Nairobi Baptist Bible College (NBBC) Choir having their first outreach opportunity. Since Nolan was first asked to help organize and lead the choir, it has been a desire and prayer to see this choir be used to further the Gospel as well as promote the college. What a blessing when a local pastor heard of this desire and invited the choir to sing one Sunday morning! After months of practice, the choir was ready and excited to sing. The choir prepared 5 songs to sing and several testimonies to share. A couple of the Bible students/choir members even took time to prepare a kid's lesson to speak in Jr. Church that day. It was a wonderful day from the Sunday morning service to the lunch and fellowship afterwards. We praise the Lord for the opportunity to give Him glory and for the church members who are now prayerfully considering coming to NBBC as Bible students.

Upcoming Events ~ Please pray!

On the Sunday afternoon of November 1st, Bible Baptist Church will be hosting a Marriage and Family Seminar. This is something that is so needed and has been on the heart of the pastor for a while. We are so thankful and excited that Janay's parents, Joe and Joyce Nogalski, will be able to come and lead this seminar. Please pray for Joe and Joyce as they have been and will continue to prepare. Please pray for the church family–the husbands, wives, parents, and singles– as they attend. We pray that this time will uplift and encourage families and people to live for God in every area including and especially their marriage and family life.

Each Saturday in November will be busy as we take flyers into the community to share the Gospel, invite people to church, and promote the activities coming up in December. Please pray for the people we will meet. Please also pray for good health and protection from the sun as both the heat and UV index have been in the extreme numbers as of late.

In December, Bible Baptist will have a three-day Holiday Bible Club (HBC—this is essentially VBS). Please pray for the church family as they prepare and volunteer for something that hasn't taken place at their church in several years. Another big event in December will be BBC's Christmas Choir program. Please join us in prayer for these events. We are praying that they will be great outreach opportunities for the community and that many will come to know Jesus through these events.
