

Two Baptisms, Many to Pray For

OCTOBER 2026

Dear Praying Friends,

Two Baptisms

We are thankful to report that on September 27, Jimmy was baptized at Cross Baptist Church and YiXuan was baptized at Second Mile Baptist Church. Please continue to pray for their growth. Our goal is not simply to see people make professions of faith, but to see them baptized, discipled, and become faithful members of local churches.

New Visitors and Gospel Contacts

At Second Mile, a 30-year-old man named Lin Pei-en has now visited twice. At Cross, a man from Haiti named Jiang Sen found the church through Google Maps. He lives about five minutes away and stayed after church until almost 4:00 in the afternoon. One of the men spent time teaching him guitar, and before leaving, he said he planned to return the next Sunday.

A Taiwanese woman also visited Cross but left before anyone could get her contact information. Rubio is working with the church to improve their welcome and follow-up ministry. Please pray that these visitors will return and that we can get to know them and share the Gospel.

Kaohsiung Bible Baptist Church

KBBC currently has four regular attenders. We are encouraged that two of them are becoming more interested in reaching their unbelieving friends. Some upcoming activities are being planned with those friends in mind. Please pray that they will come and that these opportunities will lead to real Gospel conversations, helping them understand who Christ is and why they need Him.

Praying for the Unsaved

Our updated prayer and outreach list includes about 50 people: church visitors, neighbors, friends, teachers, family members, and others we meet during the week. Sometimes we know their names; sometimes the list simply says "neighbor," "teacher," or "gas station cashier." These are people we are asking God to save.

If your church would like a copy of this list, please email us so you can pray through it with us.

September 27 baptisms at Cross and Second Mile.
Please pray for Jimmy and YiXuan as they grow.

Training Zero and Rubio

I am giving myself until next summer to finish the remaining training for Zero and Rubio, including major areas of systematic theology and the practical ministry training they still need. Our long-term goal remains to see churches started and men trained who can preach, shepherd, evangelize, and continue the work without depending on us.

Please Pray For

- Jimmy and YiXuan's growth following baptism.
- New visitors at Second Mile and Cross.
- KBBC activities and the friends being invited.
- Salvation for about 50 people on our prayer list.
- Zero and Rubio's remaining training.

Thank you for continuing to pray for us and for the churches here in Taiwan.
